January 2016 started the Year of the Angel of Peace who appeared to the three seers of Fatima to help prepare them for the visit of Our Lady in 2017. The Home Visitation Pilgrim Virgin Statue kit is being very active in more churches and has brought in three new custodians. Many thanks to the PVS kit custodians and all the work they do for Our Lady of Fatima in spreading the message of Fatima. Thanks to all who donate to this program to help us purchase supplies for the kits.

Enthronement Ceremony Material

The First Enthronement of the Sacred Heart of Jesus with Consecration to the Immaculate Heart of Mary was held 1/30/16 at the Scanlon home in Newfields NH.

## The Importance of Home Enthronement Today

It is no secret that marriage and family life are under severe demonic attack today, and that persecution of the Church is increasing dramatically. In the face of these realities the importance of healthy and thriving domestic churches becomes more and more important. Enthronement of our homes to the Sacred Heart of Jesus and their consecration to the Sorrowful and Immaculate Heart of Mary are excellent means of protecting them and preserving and enhancing marriage and family life. Families interested in Enthronement of their home, can contact the custodian of the Pilgrim Virgin Statue for their Deanery to arrange a date/time. A guide book for the Home Enthronement program, along with prayer pamphlet and certificate, will be provided to help families plan and personalize their ceremony. If you are unsure of who your Deanery custodian is, please call Carolyn Scanlon at 603-772-0906.

# THE NATIONAL PILGRIM VIRGIN OF THE USA

This beautiful image of Our Lady of Fatima was blessed by Pope Paul VI and personally presented to the United States by Bishop Venancio of Fatima in 1967 to serve as the official presence of Our Lady of Fatima to carry the important message of Fatima to the United States. It is a message Pope John Paul II said is more important today than ever.

The National Pilgrim Virgin Statue of the USA program is a very important part of this effort. Through this program Our Lady is taking her message to the people of the United States, asking everyone to offer up the sufferings and afflictions that come to us every day as reparation for the sins of our country, for the salvation of souls and to bring peace and spiritual healing to our country and the world. When enough people respond to Our Lady's request, God's grace will be able to reach the souls of our fellow citizens to turn them against abortion and immorality and to restore the Christian culture on which our country was founded.

For the Centennial year of the Apparitions of Fatima Portugal, Bishop Libasci has given permission for **“The National Pilgrim Virgin Tour of the USA” to visit the Diocese of Manchester, New Hampshire for the month of July 7<sup>th</sup> through the 27<sup>th</sup> 2017.** The Statue Custodian will explain how the message of Fatima applies to our country today and discuss what we can do to earn the blessings on our country that Our Lady promised if her requests were fulfilled. Many will come to honor Our Lady of Fatima and to hear her important message for stopping the moral decline of our American culture and securing God's blessing on our Country and the whole world. “Seeing the Pilgrim Virgin is almost like making a pilgrimage to Fatima...” All Manchester Diocesan Parish Pastors interested in having Our Lady of Fatima Pilgrim Virgin Statue Tour visit their church may book a day by contacting: Carolyn Scanlon at [carolyn.scanlon@comcast.net](mailto:carolyn.scanlon@comcast.net)
